

Welcome to the Alumni Community Engagement Fund 2023-2024 application form

The CSC's Alumni Community Engagement Fund (ACEF) is an annual fund which seeks to support Commonwealth Alumni in raising awareness of key development issues at the community level through the organisation of an engagement activity.

The 2023 Professional Fellows can apply to take part in ACEF and develop your own activity addressing the theme, **Clean Energy, Air and Oceans**.

This is an exciting opportunity for you to develop and deliver a community-focused activity designed to raise awareness on a range of challenges related to clean energy, air and oceans. Activities may include skills development opportunities; lectures, seminars, workshops; public service projects; and events which invite discussion and problem-solving.

You may apply as an individual or as a small group of 2023 Professional Fellows from the same or another host organisation.

To apply to take part, please ensure you have read the Alumni Community Engagement Fund 2023-2024 Terms and Conditions for Professional Fellows on the CSC webpage and complete the online application form no later than **23:59 (BST) on Sunday 9 July 2023**. Applications received after this deadline will not be considered.

Best wishes,

CSC Alumni Team
