

Applying for a Student Visa

Step by Step Guide

Congratulations on your CSC Scholarship award!

We've put together a step by step guide to help you complete your Student Visa application form. Please make sure you read *Applying for a Student Visa* on the [CSC website](#) first before you start your visa application. You can also read more in the [Home Office's Student Visa Policy Guidance](#).

After you have received your **CAS** (Confirmation of Acceptance of Studies) from your university, and your **Confirmation of Award** from the CSC, you should [apply for your visa by finding the link on the UK Government's website](#) and the screen below will appear.

Apply

You must apply online for a Student visa.

Check which [documents you'll need to apply](#).

Apply outside the UK

As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have.

You'll either:

- give your fingerprints and a photograph (biometric information) at a [visa application centre](#)
- use the 'UK Immigration: ID Check' app to scan your identity document - you'll also create or sign into your UK Visas and Immigration (UKVI) account

You'll be told what you need to do when you apply.

Once you've started your application, you can save your form and complete it later.

Start now >

Click here to apply.

Click on the link as shown in the box above to start the application process.

IMPORTANT: You must complete the form fully and accurately. If you deliberately withhold or use false information your current application and any future UK visa applications could be refused.

You will be asked some initial questions to start the application including whether you intend to live in one of the Crown Dependencies of the UK and whether you hold an EU, EEA, or Swiss Passport. If you hold one of these passports with a biometric chip, then you can use the [UK Immigration ID Check app](#). If you do not have one of these passports with a biometric chip then you will need to attend a visa appointment at a visa application centre in your country, or the designated alternative location.

We recommend that you select English as the language which the online visa application system will use for your application.

Make sure that you select the correct visa type for your application. You should select the student visa to come to study in the UK and you should receive a CAS from your university to allow you to do this. If you have been advised to apply for a different type of visa then please contact us at welfare@cscuk.org.uk.

 **GOV.UK** **Visas and Immigration**

Confirm your visa type

Confirm what type of visa you want to apply for from the options below. If you are not sure, use the [check if you need a UK visa tool](#), or see the [visas and immigration guidance pages](#) for information.

- Visit or transit visa
- Tier 1 (Investor)
- Tier 1 (Entrepreneur)
- Skilled Worker visa
- British Nationals (Overseas) visa
- Short-term student visa
- Student 
- Child Student

Next, choose the country from where you are making your application.

You should be applying for the visa in the country where you are legally resident. Normally you will be required to submit your biometric data (fingerprints and photograph) at a visa application centre (VAC) in that country. Not all countries will have a VAC and if this is the case for you then you will need to travel to a different country to submit your biometric data. If the country where you are resident does not have a VAC then there will be more information about this on the next page, and so we would recommend that you still enter the country where you are resident on this page.

 **Visas and Immigration**

Select a country to provide your biometrics

To complete your application, you must provide your biometrics (fingerprints and facial photograph). This may involve attending a visa application centre (VAC) operated by one of our commercial partners.

We need to know which commercial partner will manage your biometrics appointment. This is so we can transfer you to the correct website after you have submitted your visa application.

Enter the country where you would like to provide your biometrics. This will usually be the country you are in now. If there is no VAC in your selected country, you will be able to choose an alternative location.

If you believe you are unable to provide your biometrics at any location, you should still choose a location. You will then be told how to proceed.

 Enter your country of residence here

[Next](#)

On the following screen you will be asked to confirm that you are able to attend an appointment at a visa application centre in your country or the appropriate designated country.

Check available visa application centre locations

! The continued international effort to limit the impact of the coronavirus (COVID-19) pandemic has resulted in the disruption of services at some of the UK's visa application centres. To check the availability of services at your preferred application centre you can find more information by visiting the website of our commercial partner [TLScontact](#) who operates our centres around the world.

You can find all VAC locations by checking the ['Find a visa application centre'](#) page on GOV.UK. They are also listed on our commercial partners' websites.

You will not be able to change the location after you have submitted your application.

There may not be a VAC in your preferred location. Try an alternative location if this is the case.

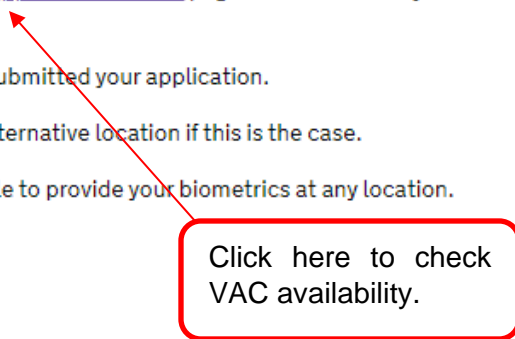

You must select a location even if you believe you are unable to provide your biometrics at any location.

I want to choose a different location.

Next

Clicking the link highlighted above will take you to a page with links to information about the visa application centres in your country. If there is no visa application centre in your country this page will tell you where you will need to travel to attend your visa appointment.

St Vincent and The Grenadines - apply through [Barbados](#)

[Sudan](#)

[Suriname](#)

[Sweden](#)

[Switzerland](#)

T

[Taiwan](#)

Example: If you are from Saint Vincent and the Grenadines you will need to attend your visa appointment in Barbados. Click on the link here for Barbados to find out more about visa appointments there.

Once you confirm that there is a VAC available for you to attend, go back to the main application page and select the option '*I have identified the location where I will provide my biometrics (or I am unable to provide biometrics at any location)*'. Then click '*Next*' to continue.

If you are not able to travel to a location in your selected country, or the nominated redirected country, then you can go back to the initial page (page 3 of this guide) to select a country to provide your biometrics and choose to apply from another country where you have legal residency.

The next two screens will take you to the start of the online application.

To evidence your CSC Scholarship you will need to submit your Confirmation of Award (COA) at the end of the visa application.

For the next section you will need your CAS (Confirmation of Acceptance of Studies) from your university.

The screenshot shows the GOV.UK 'Visas and Immigration' application interface. At the top, there is a navigation bar with the GOV.UK logo and the title 'Visas and Immigration'. Below this is a progress indicator with six steps: 1. Start, 2. Application (highlighted), 3. Documents, 4. Declaration, 5. Pay, and 6. Further actions. A 'Back' link is visible. The main heading is 'Your Confirmation of Acceptance for Studies'. The question asks 'Do you have a Confirmation of Acceptance for Studies (CAS) number?' with radio buttons for 'Yes' (selected) and 'No'. Below this is a text input field for the 'Confirmation of Acceptance for Studies reference number'. At the bottom of the form are two buttons: 'Save and continue' (green) and 'Cancel' (grey). There is also a link 'Return to this application later' and a 'Show and edit answers' link.

You must have a CAS before submitting your Student Visa application. The CAS is an electronic document issued to you by your chosen university and is valid for six months from the date your university created it

Your CAS should contain the Confirmation of Acceptance for Studies reference number, the details of your university's Student Sponsor Licence Number, your course details as well as the information from your passport. The name of your sponsor is the name of the university where you will be studying in the UK.

If you submit your visa application without a CAS or the wrong CAS details your visa application will be refused.

You can find out more information about your CAS by visiting the [UKCISA website](#).

IMPORTANT: Your CAS can only be used once. If for any reason you need to submit a new visa application, then you *may* need a new CAS. If you do need to make a new visa application, please speak to an international student advisor at your university first.

You will need to provide details of your name, as shown in your passport or travel document.

You should be using your personal passport. If you have a diplomatic, military, or official passport, you should not be using this for the visa application because a CSC Scholarship is not considered an official posting relevant to those passports.

If you have been known by any other name in your life, then you must provide the details of this here. This is relevant for any given or family name that you have legally been known as in your life. You should not include any nicknames or surnames. You might have had a different previous name for cultural or personal reasons, or because your name changed following a marriage or adoption. If you are unsure please contact welfare@cscuk.org.uk.

Following this page you will also have to complete a few more personal details including details about your **relationship status** and **gender**.

The screenshot shows the GOV.UK 'Visas and Immigration' application process. The page title is 'Your sex and relationship status'. The progress bar indicates the user is on step 2, 'Application'. The question asks 'What is your sex, as shown in your passport or travel document?' with three radio button options: 'Male', 'Female', and 'Unspecified'. Below this, another question asks 'What is your relationship status?' with a dropdown menu. The dropdown menu is open, showing options: 'Single', 'Married or a civil partner', 'Unmarried partner', 'Divorced or civil partnership dissolved', 'Separated', and 'Widowed or a surviving civil partner'. A 'Show and edit answers' link is visible at the bottom of the form area.

Civil partnerships are legal relationships which can be registered by two people of the same sex and gives couples legal recognition of their relationship.

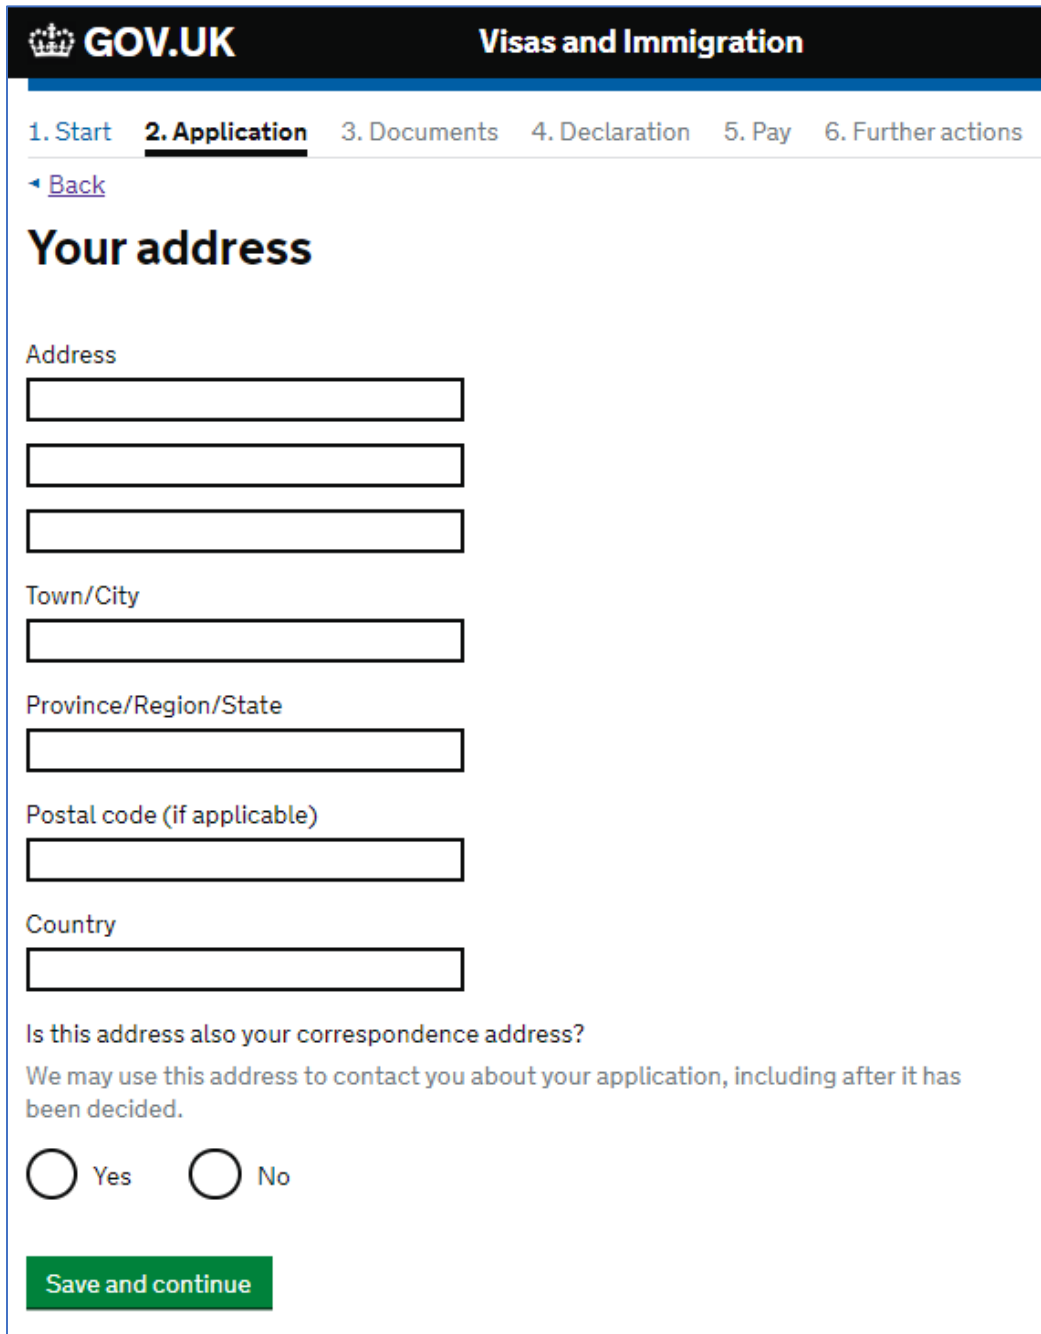

The definition of an unmarried partner in the immigration rules is a person who has been living together with the applicant (you) in a relationship akin to a marriage or civil partnership for at least two years prior to the date of application.

If you select married/civil partner or unmarried partner, then you will need to provide some information about your spouse or partner.

The next screen will ask you for your address details.

You should use your permanent address for the country where you will be applying for your visa from.

If you have a different correspondence address then you will have an opportunity to provide the details of this.

The screenshot shows the 'Your address' form on the GOV.UK website. At the top, there is a black header with the GOV.UK logo and the text 'Visas and Immigration'. - have a degree which was taught in English
- have an English GCSE, A level or Scottish National 4 or 5, Higher, or Advanced Higher qualification
- if you were a student, your sponsor confirmed on your CAS that you met the required level

If you have had a previous UK visa and you were required to submit evidence of your English language ability as part of that visa then you can select yes to this question.

If you have not previously held a UK visa where you were required to submit evidence of your English language ability as part of your visa application, then you should select no to this question.

Are you coming to the UK to study at a higher education provider with a track record of compliance?

Does your Confirmation of Acceptance for Studies (CAS) statement indicate that your English language ability was assessed by your institution or that you are a 'gifted' student?

Yes No

Select 'YES' here if your CAS indicates that your university has made its own assessment of your English language ability.

For the first question, select yes if your university or higher education provider (HEP) has a track record of compliance. For most universities, including all publicly funded universities, you can select yes to this question. This information should be on your CAS but you can also check the status column of the [Register of Student Sponsors](#) to see if they have a track record of compliance. If you are unsure please speak with an international adviser at your university.

If you select 'yes' to the first question you will be asked whether your institution (university) has assessed your English Language ability. This will be shown on your CAS and for the majority of scholars it will say that the HEP has made its own assessment of your English language ability. If it says something different and you are not sure what it means then please contact welfare@cscuk.org.uk.

If you're unsure about the English language requirements please check your CAS and speak with welfare@cscuk.org.uk.

If you have previously received medical treatment from the National Health Service (NHS) in the UK and you were required to pay for it then you can explain this here. Most NHS medical treatments would not have incurred a charge if you paid the immigration health surcharge as part of your previous visa application. Treatment in an Accident and Emergency department should have been free of charge. Most other non-emergency treatment may have incurred a charge depending on the visa you had at the time of your stay in the UK.

If you have received any medical treatment, then you will be able to provide the details of this on the following page. It is important that you complete these parts of the form accurately. If you have any queries about this then please contact us on welfare@cscuk.org.uk.

If you only received medical treatment from a private provider, which you have paid for, then you will not need to answer yes to these questions. You will not need to answer yes if the only costs you had to pay were for prescription medication at a pharmacy.

Refused a visa or refused permission to stay or remain in the UK or another country means that you have made an application to enter or remain in the UK and has been refused.

Refused entry means that you were not permitted to enter the UK, for example at the airport.

Refused Asylum means that you have made an application for asylum which has been refused.

Deported means that you were subject to a deportation order in the UK.

Removed means that you were forcibly removed from the UK because of a breach of the immigration rules.

Required to Leave does not mean that you left because your plans changed, but that you were served with removal papers and were required to leave.

Excluded or banned from entry means that the Secretary of State has directed that your presence or entry to the UK is not conducive to the public good and any visa application will face mandatory refusal.

If you have answered yes to the previous question, then you will be taken to this screen. You must answer this section accurately and honestly. If it is determined that you have withheld information or used deception during this part, or any other part of your visa application, then your visa will be refused, and you could be banned from traveling to the UK for up to 10 years.

War crimes

You must read all of the information on this page before answering.

▼ [War crimes](#)

War Crimes are grave breaches of the Geneva Conventions committed during an armed conflict. This includes an internal armed conflict and an international armed conflict.

The types of acts that may constitute a war crime include:

- wilful killing
- torture
- extensive destruction of property not justified by military necessity
- unlawful deportation
- the intentional targeting of civilians
- the taking of hostages

Crimes against humanity include:

- Acts committed at any time (not just during armed conflict) as part of a widespread or systematic attack, directed against any civilian population with knowledge of the attack. This would include offences such as murder, torture, rape, severe deprivation of liberty in violation of fundamental rules of international law and enforced disappearance of persons

Genocide includes:

- Acts committed with intent to destroy, in whole or in part, a national, ethnic, racial or religious group

This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 8 of the International Criminal Court Act 2001 at legislation.gov.uk. It is your responsibility to satisfy yourself that you are familiar with the definitions and can answer the questions accurately.

Most Universities where your award is tenable are Higher Education Providers with a track record of compliance. Please check your CAS or university offer letter for this information if you are not sure.

It may be that your choice of university has different sites and campuses. If you will be based at a different site to the main address of your university, you should enter the address of the department where you will be studying in your university in the section on the form where it asks for the address of the main site of study.

If you are not sure what department your course is being taught in, then please refer to your university's offer of study letter.

The screenshot shows the 'Primary site of study' section of a GOV.UK application form. The page title is 'Visas and Immigration' and the current step is '2. Application'. A navigation bar at the top lists steps: 1. Start, 2. Application, 3. Documents, 4. Declaration, 5. Pay, and 6. Further actions. A 'Back' link is visible. The main heading is 'Primary site of study'. Below it is the question: 'Is this the site where the majority of your study will take place?'. A red-bordered box highlights the instruction: 'The address of your university should appear here.' There are two radio buttons: 'Yes' (unselected) and 'No' (selected). Below the radio buttons are input fields for the address: three lines for the address, one for 'Town/City', and one for 'Postcode'. Some programmes of study require its students to secure an ATAS certificate before they can enroll on the course. If this is the case with your programme, then you will also need the ATAS certificate to secure your visa.

You should refer to your university offer letter and CAS to find out if you need an ATAS certificate or not. If you are in doubt then you should ask the course convener, programme administrator, or another relevant member of university staff.

ATAS certificates generally take 20 working days to produce but can take longer during the busy summer period, so you should apply for them as soon as you can. Once you have the ATAS certificate you can complete this part of the application form by providing the ATAS reference number. The CSC cannot intervene with the Foreign, Commonwealth and Development Office to speed up the process of obtaining an ATAS certificate.

As a CSC scholar you will be in receipt of a fully funded scholarship award. You should select 'yes' to the question 'Will you be receiving money from an official financial sponsor for your continuing studies?' and then select the option which shows that you will prove this with a 'letter of official financial sponsorship' so please choose this option. For the question 'Have you or your parent(s) or legal guardian(s) already paid any of your course fees?' you should check your CAS. Some universities will class your fees as already being paid because of your scholarship. Others will not, so check your CAS. If you select yes to this question the following question appears. Please refer to your CAS and fill in the box with the figure that has been confirmed as having been paid.

This screenshot shows the follow-up question for the 'Course fees' section. It asks 'How much has been paid?' and provides a text input field for the amount in pounds (£). You'll then be able to use the National Health Service (NHS). You'll still need to pay for certain types of services, [e.g. prescriptions, dental treatment and eye tests](#).

Cost

The healthcare surcharge is £624 per year of the visa for customers aged 18 years and over and is payable in full to cover length of the visa being applied for.

Example

A person making a 5-year visa application would pay £624 x 5 = £3120.

For customers under the age of 18, or who are applying as a Student, as the dependant of a Student or for the Tier 5 Youth Mobility Scheme visa, a reduced rate of £470 per year applies.

Use this service to:

- pay the healthcare surcharge (unless you are applying for your visa online or at a UK Premium Service Centre)
- get an IHS reference number which will be included in your visa application - you'll need this even if you don't have to pay

You'll need:

BOOK YOUR BIOMETRIC APPOINTMENT: Click here to book your VAC appointment to submit your biometrics. This will also take you to the pages where you can upload your documents. More information about this follows below in this guide.

When you click on the green button to provide documents and biometrics you will be redirected to one of the UKVI's two commercial partners, VFS or TLS Connect. This is where you will book an appointment to submit your biometric data and documents. Most fields will automatically populate with information included in your visa application form, but if they do not, please ensure that you fill in the necessary fields correctly.

The following screens show the process of booking your appointment if **VFS** provides the Visa Application Centre services in your country. Scroll further down for guidance if **TLS Connect** is providing the Visa Application Centre services in your country.

First you may need to register an account with VFS Global. Please provide your personal details and keep them safe so that you can use them to log-back in later if you need to.

The screenshot shows the VFS Global website interface. At the top left is the VFS logo and 'VFS.GLOBAL'. At the top right is a 'Sign Out' button. The main content area has a heading 'We are official partners of UK Visas and Immigration' with the UKVI logo. Below this is a paragraph of text explaining the appointment process, followed by several paragraphs of detailed information and links. At the bottom of the main content area, there is a section titled 'To get started please select your Visa Application Centre' with three input fields: 'Reference Number', 'Email Address', and 'Country of application: Pakistan' (with a dropdown menu showing '4 Centres'). Below these is another dropdown menu for 'Standard Visa'. At the very bottom of the page are two buttons: 'I will do it later' and 'Continue'.

Now you have submitted your online visa application, you will have up to 240 days to attend an appointment to provide your biometrics and complete the application process. You can change your biometric booking up to 24 hours before your scheduled appointment. You can rearrange your appointment more than once if you need to. If you are unable to attend a biometric appointment within 240 days but wish to continue with your visa application you will need to [contact UKVI](#).

If your request is because you think travelling to a VAC would be unsafe, please refer to the [Biometric enrolment guidance - unsafe journeys \(publishing.service.gov.uk\)](#) before contacting UKVI.

You can Self-Upload your supporting documents at no cost, prior to your appointment. Or, you can purchase optional **Document Scanning Assistance** and have our staff do this for you at the Centre.

We also have a range of services to ease and enhance the application process - right now we are offering a special lower price on our **'Keep My Passport When Applying'** service - meaning you can retain your passport while your visa is processed.

We also recommend our new **'Digital Application Submission'** service, where customers can submit UK visa applications from home or office, via video conference, and then only visit our centre (Islamabad) to enrol biometrics and submit passports; or let us come to you, with our **'On Demand Mobile Visa'** service, so you can go through the entire visa application process without leaving your home.

Once you have chosen any services and advanced you will be taken to a page to review your appointment and pay any fee. In certain countries, some VACs charge a mandatory fee, sometimes called a 'user pay fee'. CSC will be able to cover the cost of this fee if it is mandatory, but will not be able to cover the cost of non-mandatory fees or additional services.

The next screen gives you another summary of your appointment booking and transaction but crucially gives you the opportunity to upload your documents via an online portal. If you do not upload the documents to the portal, you can take them in person to your visa appointment and you will need to pay a fee for the VAC staff to upload them. We will not be able to reimburse this fee.

Thank you for booking an appointment with us!

We've sent you a confirmation email with your appointment details. Please bring a printed copy of the email attachment together with your [booking details](#) and means of payment when you visit the Visa Application Centre.

Self Upload

If you'd like to upload your supporting documents before visiting the Centre, you can do that by clicking 'upload supporting documents now'. Please ensure that you upload your documents and print out details of your appointment 24 hours before you attend the centre.

If you can't upload your documents now, you have two options:

- Upload later:** You can upload as many documents as you want, 24 hours before your appointment. Simply access the 'My Appointments' page by clicking the link in your registration email, or by logging into your account as normal.
- Get Document Scanning Assistance:** For a fee you can bring your supporting documents and use our Document Scanning Assistance service at the Visa Application Centre.
Please note:
 - We accept originals and photocopies, but photocopies must be A4 size, clear and legible.
 - Customers applying through the Windrush Scheme or Family Reunion under Part 11 of the Immigration Rules are eligible for free Document Scanning Assistance.

STEP 3: BOOK AN APPOINTMENT

STEP 3: Book an appointment

The next step requires you to book an appointment to attend the VAC and submit your biometric details. When the page first opens it will show the available appointments for Assisted Service, which you will have to pay extra for. **To book a free appointment you will need to select the option for Self Service.** If you use the assisted service, where the VAC staff will scan your documents for you on site you will need to pay an extra charge that you will need to cover yourself.

The screenshot shows a three-step process for booking a Visa Application Centre appointment. Step 1 (TLScontact Services) and Step 2 (UKVI Services) are completed. Step 3, 'Book an appointment', is active. It features a calendar for June, July, and August 2023. The 'ASSISTED SERVICE' option is selected by default, but the 'SELF SERVICE' option is highlighted with a green border and a red arrow. A callout box with a red border and text 'Click here to see available free appointments.' points to the 'SELF SERVICE' option. Below the calendar, there are several appointment slots with icons for 'FLEXI' and '10:00'. A 'PROCEED TO CHECKOUT' button is visible on the right side of the page.

Once you have chosen your time slot you will receive confirmation of this, and you will see a button to proceed to checkout. If you have chosen self-service and no additional services, then you should not have to pay any additional fee. In certain countries, some VACs charge a mandatory fee, called a 'user pay fee'. CSC will be able to cover the cost of this fee if it is

mandatory, but will not be able to cover the cost of non-mandatory fees such as assisted service or premium appointments.

This screen explains that if you have chosen self service you will need to upload your documents **in advance** of attending your appointment.

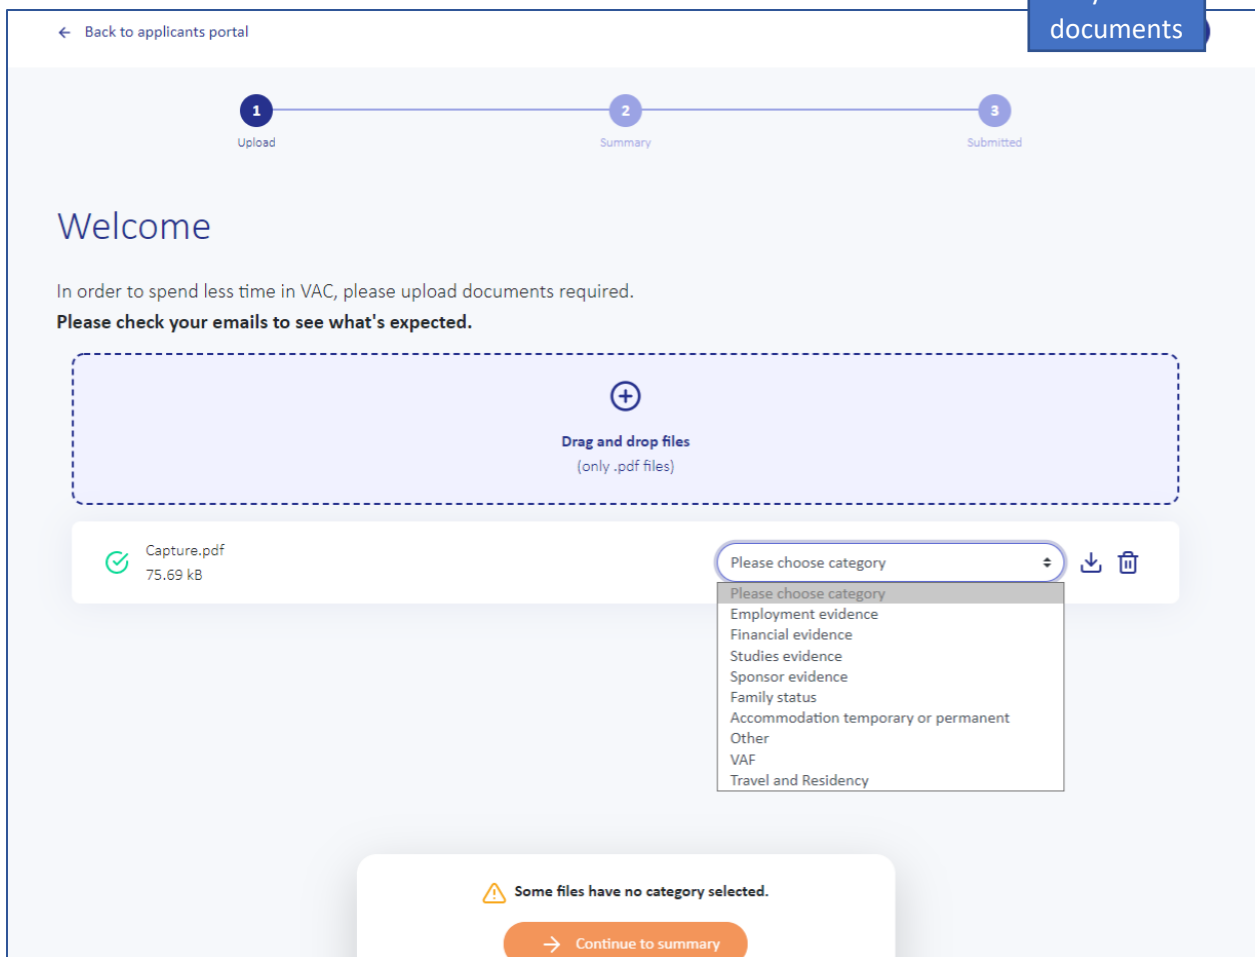

If you do not upload your documents in advance of attending your appointment you will need to pay a fee for a member of the VAC staff to upload the documents for you. You can do this by selecting the assisted service option when you book your appointment, as shown on the previous page.

To upload your documents, click on the View My Application Button shown on the previous screenshot. You will now see a few different headings and options. Underneath the Self-Service option please click the green upload button.

Click here to upload your documents

You will then see the following screen where you can upload your documents.

You should only upload documents that have been asked for on the document checklist that you were required to download and print off. We would recommend that you also upload your CSC Confirmation Of Award letter regardless of whether it was included in the checklist or not. For each document you upload you will need to select a category for it. Once you have uploaded all your documents you will need to 'continue to summary' and then press 'submit documents' to

confirm the final submission of documents. You will not be able to submit any more documents beyond this point so please make sure you have uploaded everything you want to. You will need to take that checklist with you to your biometric appointment as well as your passport.

If you do upload your own documents, we would advise that you still take physical copies of your documents with you to your appointment. Please note, you **MUST** take your passport with you to your appointment.

Once you have uploaded your documents you have completed all the online elements of your visa application. You can sign out of the TLS pages at any point and log back in using your GWF number and e-mail address. You can manage your booking by changing your appointment, uploading new documents, or purchasing some additional services.
