

Causeway Coast and Glens Borough Council - Professional

Causeway Coast and Glens Borough Council will offer a 3 month placement in its Governance unit, working to a detailed weekly programme. This is Council's fourth application, the previous three having been successful. Before local government reorganisation in 2015, one of its four legacy councils, Coleraine Borough Council, hosted 5 Fellowships over the previous 10 year period. Council's experience was that the concepts underpinning its functions are transferable to the developing world. However the limited resources available in the developing world require a quite different delivery of these concepts to that in the West. The Fellows thus will be encouraged to maintain a weekly work diary; and each week to identify what concepts are applicable in their home work place. At the end of the 3 months, they will be encouraged to develop short and long term programmes for the transfer of these concepts to their home work place.

Eligibility

Causeway Coast and Glens Council has a Memorandum of Understanding (MOU) with Zomba City Council (ZCC) in Malawi. The MOU refers to a support partnership, one outworking of the partnership being this application.

Eligibility will thus be restricted to candidates employed in the field of Governance in ZCC.

Proposed Programme Dates: 10/02/2027 to 11/05/2027

Priority Theme: Strengthening peace, security and governance

Recruiting from an established network: Yes
